## Summary

---

I'm Hamza, a 10th student enrolled in AP courses like AP Euro and Algebra 2 Honors. I enjoy pushing my limits and have a strong desire to achieve. The difficult material in Algebra 2 Honors, such as logarithms and trigonometry, has been very fascinating. I'm pleased with how well I do on my tests and homework.

I participate in the Key Club, and Technology Student Association (TSA), and assist students when I have free time. I place a high value on giving back to the community, especially at school.

I consider myself to be a dedicated student that works hard to further his or her education. The prospects that lie ahead have me eager to see where my academic career leads me.

## Experience

---

### Mountlake Terrace High School | Mountlake Terrace, Washington

#### Student | 09/2020 - Present

I'm Hamza, a 10th grader who has a reputation for having flawless marks and a dedicated, determined demeanor. I take my studies seriously and constantly go above and above to make sure I comprehend the subject. I regularly participate in class, raising thought-provoking issues and looking for further information when necessary. I frequently receive top results on examinations and assignments, proving that my diligence has paid off.

I always have a good mindset and a good work ethic. I work hard to set an example for my peers, and I'm respected for my determination and endurance.

I take pleasure in my flawless grades, work ethic, and motivation, and I'm devoted to my education and personal development overall. I think these characteristics will both encourage others and benefit me.
